

SETTING GOALS

Set a SMART Goal

A

GOAL STATEMENT:

By the end of this course our goal is to create a product or service to assist Post-Secondary students in the area of time management, from busy schedules to planning events in freetime.

B

WHY IS THIS GOAL IMPORTANT TO YOU?

With the many new pressures and responsibilities held by post-secondary students, the ability to allocate time efficiently and effectively is a task not easy to manage, therefore a solution to this problem would provide much benefit.

C

WHAT IS REQUIRED TO ACCOMPLISH THIS GOAL?

Conduct interviews offline in student spaces and complete research on social media to determine what would help students in terms of time management. According to results, create a mobile application that is user friendly and serves the needs of students.
